

NEW FOR 2022

Cleanline Eco® Ultra-One sanitising wipe

Highly versatile multi-surface wipes for cleaning and disinfecting all washable non-porous surfaces. The powerful cleaning action removes grease and grime and is proven effective against all bacteria and viruses. The reusable tub can be refilled from the refill pouch to reduce plastic packaging waste by up to 85%.

Cleanline Eco Ultra-One sanitising wipe:

- Part of the Cleanline Eco – Eco Star standard.
- Unique plant-based formula contains blend of natural organic ingredients including lactic acid, tartaric acid, peppermint oil and lavender oil.
- Proven effective against all bacteria and viruses
- Independently tested and certified to EN 1276, EN 13697, EN 1650 and EN 14476.
- Wipe made from responsibly sourced and certified 100% viscose material.
- Reusable tub can be refilled from the refill pouch to reduce plastic packaging waste by up to 85%.
