

Stagione® Light containers and lids

Available in a 500ml and 750ml rectangular format, and a 1000ml square format, Stagione® Light recyclable PE coated containers are manufactured from a single piece of paperboard, which means that customers can maximise available print area across the whole pack, including the base. The Stagione® Light range has been developed to display cold dishes in chiller cabinets. The containers have a grease resistant barrier and webbed design, meaning they are leakproof and therefore effective when packaging dressed salads. They can also be used to serve instant eat hot food.

Stagione® Light:

- Provide a lighter weight product offering compared to the original Stagione® range
- Made from a single piece of paperboard, allowing for all over printing
- Roll top design
- Leakproof
- Delivered nested
- One lid fits both the 500 and 750ml pots

Product details:

Size	Dimensions (L x W x H)	Case
500ml	171 / 132.5 x 118 / 84.5 x 40 mm	300
750ml	171 / 128 x 118 / 79 x 57 mm	300
1000ml	166.5 / 125 x 166.5 / 125 x 55 mm	300

The lids that fit the original Stagione® range also fit the new Stagione® Light range. These include rPET lids with anti-mist coating for clarity in chilled cabinets, and PE coated paperboard lids for heat retention and ventilation.
