

Taste Boxes with Morro™ Plant-Based Coating

Huhtamaki's Taste boxes with Morro™ coating are designed for circularity, and feature a natural plant polymer coating, made without chemical modification, ideal for high-pressure hot food and delivery environments. They meet growing consumer demand for plastic-free coatings that offer excellent grease and leak resistance. These premium boxes are UK manufactured from responsibly-sourced papers and can be custom printed to fully showcase your brand's sustainability values.

Huhtamaki

Taste boxes:

- Keeps food hotter for longer
- Highest quality fluted, corrugated construction provides outstanding insulation
- Versatile range for nearly all food types
- 2-part coating for enhanced performance
- UK-manufactured for reliable supply and lower transport impacts than imported, finished goods
- Three proven sizes (small, medium, large)
- Secure locking lids for safe transport
- Webbed design for leak prevention

USPs:

- Plant-based plastic-free coating
- Leak proof
- Perfect presentation
- Heat retaining
- Ideal for delivery and eating in
- Suitable for hot counters
- Great for alfresco dining
- Made from plants
- Secure locking lids
- Different sizes available

Taste box	Size	Dimensions	Case
